

## **Xpand IT announced partnership with Actian to the Big Data Area**

**A few days of Big Data & Analytics Forum, organized by IDC, Xpand IT announced a strategic partnership with Actian Corporation – the leader in the next generation big data management and creator of the analytic database Vectorwise.**

Xpand IT, global company specialized in Big Data, Business Intelligence, BPM & Enterprise Middleware and Enterprise Mobility, today announces a strategic partnership with Actian Corporation – the leader in the next generation big data management and creator of the analytic database Vectorwise. With Distributed & Analytic Databases and NoSQL solutions, the relationship with Actian will allow Xpand IT Customers to drive new business value. The new portfolio will be presented at IDC Big Data & Analytics at Instituto Superior Técnico, Lisbon during the next 20<sup>th</sup> June between 09:00 am and 01:15 pm. Registrations are available at IDC Portugal website.

With experienced and certified professionals in technologies such as: Vectorwise, Hadoop, Cloudera and Mongo DB, Xpand IT made several Big Data & Business Intelligence projects and has been growing as a reference partner for many organizations around the world. In addition to this partnership with the Actian / VectorWise, Xpand IT already has strategic partnerships with Cloudera and 10gen - The MongoDB Company.

For Paulo Lopes – Partner & Chief Commercial Officer at Xpand IT: "as the growth of global information, the Big Data approach is getting increasingly stronger. Based on customer's feedback, we believe that this is a great moment for Big Data investments". For 2013, Xpand IT has scheduled a series of initiatives such as new campaigns, conferences, corporate events, technical events to disseminate their expertise in the Big Data ecosystem. With more than 10,000 customers worldwide, Actian is a leader in helping companies analyze big data in industries ranging from retail, ecommerce, healthcare, manufacturing, finance and social media.
