

### **Xpand IT becomes Windows Azure Circle Partner**

**Xpand IT earns distinction through demonstrated technology success and customer commitment.**

Xpand IT, global company specialized in Enterprise Mobility, Big Data, Business Intelligence, BPM & Enterprise Middleware, today announced it has been selected to join the Windows Azure Circle Partner program, a group of specialized Microsoft partner organizations that provide deployment planning services for organizations interested in moving to the cloud utilizing Windows Azure.

For Sérgio Viana, Associate Partner & Microsoft Solutions Lead at Xpand IT – “Windows Azure is one of the key Microsoft technologies Xpand IT is investing on, especially because it allows us to complement most of our business areas. For us, being part of the Windows Azure Circle Partner is a reward, but definitely a responsibility and a sign to the market of what’s to come.”

“Recognition as a Windows Azure Circle program partner demonstrates Xpand IT’s ability to deliver public cloud solutions that solve today’s business challenges,” said Phil Sorgen, corporate vice president, Worldwide Partner Group at Microsoft Corp. “By joining the Windows Azure Circle, Xpand IT has proven its mastering of Microsoft cloud technologies and continued drive for success in the future of the public cloud.”

The Microsoft Partner Network helps partners strengthen their capabilities to showcase leadership in the marketplace on the latest technology, to better serve customers and, with 640,000 Microsoft partners in its ecosystem, to easily connect with one of the most active, diverse networks in the world.
